50 Cents a Year in Advance.

We are here to help Clay City, the Surrounding Country and Ourselves.

VOL. 9.

CLAY CITY, KY., THURSDAY, MARCH 31, 1904.

NO. 13.

## The Postoffice.

On account of his moving away the first of May, Frank B. Russell has resigned the postmastership at this place and Miss Bertha Maple and Thos. Ogden, Jr. are applicants for the place. The fight is quite lively and interesting, and both parties are being freely indorsed by their friends.

Miss Bertha has been the assistant under Mr. Russell for quite awhile and gives unusual satisfaction to the patrons of the office. She has been exceedingly kind and obliging to the patrons and should she be appointed she will continue to serve our citizens in this efficient manner.

Mr. Ogden is equally as capable as Miss Maple, and has the loyal support of a number of friends. He is a native of the county, having lived all his life on Snow Creek in the western portion. Should he be successful in securing the appointment, he will keep the office to the high standard of accommodations now maintained by Miss Bertha.

## Died.

Miss Besse Vaughn, daughter of John P. Vaughn, died at the home of her father near Lawrenceburg, Monday, March 28. Miss Vaughn is a cousin to Dr. B. Littlepage and Mrs. D. C. Bloom of this city. Dr. Littlepage and his daughter, Miss Ouida, are now with the bereaved family, but will return home in a day or two.

## Jumped into the River.

W. T. Havens, formerly publisher of the Mt. Sterling Sentinel-Democrat, is missing at Frankfort. A man was seen to jump from the L. & N. Bridge into the Kentucky river, who was recognized as Havens, and the failure to ascertain his whereabouts, are given up, and the belief that he was really the one lost in the river is credited as true. Mr. Havens was engaged in the hardware business at Frankfort, but when he first went there he was one of the assistants under Samuel J. Shackelford clerk of Court of Appeals.

## Better Prospect for Awhile.

An exchange very truthfully says: "Every little while we notice that some man well fixed on a good farm sells and thinks he will look for a better country and after trying the several gardens of Eden, as set forth by real estate agents and corporations, comes back to his old stamping ground and buys the old farm back at a good increase in price over that which he received. It is always best to rent the old place for a year or so and prospect. You may want to come back."

Today is the last day of March and tomorrow is All Fool's Day.

Gov. Beckham has vetoed the bill creating the new county of Thorne.

## The Winchester Court.

Fewer cattle on the market Monday than almost ever before known. Fifty or seventy-five being the estimate. Most of these were sold by the head.

D. T. Railsback bought a cow, weight 1070-lbs., at 4 cts.

Joe Hays bought 4 small heifers by the head which when weighed were found to cost 4½ cts.

Conner & Horton sold some 700-lb. heifers at 3½ cts.

Aaron Chambers sold a cow and calf for \$30.

Several other common cows brought \$15 to \$25.

L. C. Rose bought a small bull for \$16.

Quite a number of mules were on hand and prices seemed a little better than last court.

S. A. Lipscomb sold a pair of four-year-old mare mules, 15½ hands high, for \$275.

J. B. Eubank bought a two-year-old mule for \$77.

Mrs. Ellen Brown, administratrix, sold a young stallion for \$146, and two jacks, one for \$132 and one for \$292.

Sam K. Hodkin bought during the last few days several hundred lambs at 5 to 5½ cents.—Winchester Democrat.

## Vaughn's Mill.

Mr. Blue Crow called on his best girl Sunday night.

Miss Pollie Bush spent Saturday night with Miss Allie Bush.

Born, to Mr. and Mrs. George Ware Monday morning, a fine boy.

Mr. and Mrs. Charlie Bush entertained quite a number of people at their home Sunday.

Messrs. Morgan McKinney, R. L. Shimfessel and Joe Holman attended court at Winchester Monday.

Mr. and Mrs. Bob Henry visited Mr. and Mrs. John Burgher at Spout Spring Saturday night and Sunday.

Mr. J. C. Allen, of Benavon, Cal., and Miss Mayme Barnett, of this place, will be married Wednesday, March 30th.

Mr. John McKinney bought last week eleven head of cattle in the mountains and is on his way to Winchester with them.

Mr. Cliff Eaton, of Clay City, is moving to this place in D. R. Daniel's store house, known as the James Baker store house.

Mrs. Dora Callis, of Lakeland Asylum, came up last Saturday to see her brother, J. R. Skidmore, and returned home Tuesday.

## Going to Test the Day Law.

The Board of Trustees of Berea College, in session at Cincinnati yesterday, decided to institute appropriate proceedings for testing the constitutionality of the Day law, which prohibits coeducation of the races in Kentucky. The school will be conducted as usual until a decision from the United States Supreme Court. In the meantime State officials will be enjoined from making arrests for violation of the law. The College trustees have accepted a gift of \$30,000 from Andrew Carnegie for the institution, and going on with improvements.

## Two More Good Wells.

The Estill County Oil and Gas Company has completed drilling two more valuable oil wells on the Cockrell farm near Irvine both of which are ten-barrel producers. The oil is of excellent grade, and it is claimed they will be good for forty barrels when shot.

## For Representative.

H. Clay Turner is a Democratic candidate for Representative of Montgomery and Menefee counties in the next Legislature. He is a prosperous farmer and would make a splendid Legislator.

The Democrat has been instructed for Hearst for President.

## Irvine Items.

[Irvine Herald.]

Mr. and Mrs. Thos. Williams are visiting relatives in Louisville this week.

Rev. Geo. O. Barnes began a protracted meeting at the court house last night.

A nice well was brought in last week by the Estill County Oil & Gas Co. on the Park farm.

Mrs. D. C. Lilly arrived here Friday from Florida and will visit with her husband, Rev. D. C. Lilly at the home of the latter's mother, Mrs. H. C. Lilly.

Wm. Montgomery, of Richmond, has been employed as town marshal. He has served on the police force at Richmond and comes to Irvine highly recommended.

Work has commenced on the telephone line between Irvine and Miller's Creek. This will prove a great convenience to the citizens of the Millers Creek section.

Mr. John Kelley and Miss Mamie Wagers, both prominent young people of Station Camp, were married at the home of the groom's father, Mr. Abe Kelley, on last Friday.

On Saturday near Blue Banks, "Hawker" Bill Riddell shot and wounded Sam Park, colored. Riddell is 70 years old and has been crazy for a number of years, having been in the asylum at Lexington several times. The two men met in the road when without warning Riddell who was carrying a shotgun, fired, the load striking Park in the right hand, which he threw in front of his face. Riddell was arrested and brought to town Saturday night. He was tried before Judge Noland Monday and adjudged insane.

## The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

### Creating a Sensation.

The interest in the next Demo-  
cratic presidential candidate does  
not abate in the least. The strides  
being made by the Hon. William  
Randolph Hearst is almost the sole  
topic of conversation wherever poli-  
ticians do congregate. Almost ev-  
ery day brings news of his capture  
of some more delegates or of some  
man of prominence in the party  
councils coming out for him. The  
Parker men are thoroughly demor-  
alized and his band wagon here is  
nearly ready to hang out a "stand-  
ing room only." The old politicians  
of the party are dazed and do not  
know what to make of it. Hitherto  
they have always had things their  
own way in fixing up conventions  
and sending delegates.

They have just begun to realize  
that the people of the country are  
taking a hand in this affair and that  
they are not in it. They must ei-  
ther get out of the way—or get run  
over. In their despair they are be-  
ginning to talk of taking a candi-  
date from the South and the names  
of Senator Joseph W. Bailey, of  
Texas, and the Hon. John Sharp  
Williams, of Mississippi, the brilli-  
ant floor leader of the Democracy  
in the House, are mentioned. In  
speaking of this matter to me the  
other day a prominent member of  
the House said: "John Sharp Wil-  
liams would make an ideal candi-  
date and an ideal President of the  
United States, if it were not for the  
fact that he would not be running  
two weeks before the Mississippi  
constitution would be the sole issue  
in the campaign." And there you  
are. C. A. E.

### More Popular With Home People.

One of our mountain exchange-  
es has discovered that a paper in  
this part of Kentucky cannot  
succeed without a large amount  
of foreign support. This may be  
the case with our contemporary,  
but it is not so with the TIMES,  
this paper being more popular  
with its home people. It began  
its existence a little over eight  
years ago with a capital of only  
twenty-five dollars, and though  
during this time, it has refused  
advertising propositions one af-  
ter another from foreign firms  
whose business conflicts with that  
of the home merchant, it has suc-  
ceeded in raising a very enviable  
subscription list, and has the  
distinction of operating the only  
power printing plant in the  
mountains, and the paper is very  
popular with the people it is  
ever striving to please. All of  
this has been accomplished in  
the face of the strongest (?) trav-  
eling solicitors for both local pa-  
pers and job printing, and too by  
this paper contenting itself to  
remain in its own field and leav-  
ing to its neighbors their territo-  
ry. And by so doing the TIMES

has the consolation of making its  
success in an honorable way, and  
doing an act of fairness with all  
of our contemporaries which some  
of them have failed to render un-  
to us.

The old saying, "Love hides a  
multitude of faults," seems to be  
equally as applicable to the ad-  
ministration party as the young  
truelovers.

### Beware of Ointments for Catarrh that Contains Mercury.

as mercury will surely destroy the  
sense of smell and completely de-  
range the whole system when en-  
tering it through the mucous sur-  
faces. Such articles should never  
be used except on prescriptions  
from reputable physicians as the  
damage they will do is ten fold to  
the good you can possibly derive  
from them. Hall's Catarrh Cure,  
manufactured by F. J. CHENEY &  
Co, Toledo, O., contains no mer-  
cury, and is taken internally, acting  
directly upon the blood and mu-  
cous surfaces of the system. In  
buying Hall's Catarrh Cure be sure  
you get the genuine. It is taken  
internally and made in Toledo, O.,

You know him, and trust him.  
Dr. Miles' Nervine is medicine for your  
nerves.

It cures diseases of the internal or-  
gans, by giving tone to the nerves which  
make these organs work.

It is a novel theory—not of anatomy,  
but of treatment, first discovered by  
Dr. Miles, and since made use of by  
many wide-awake physicians, who ap-  
preciate its value in treating the sick.

If you are sick, we offer you a way to  
be made well—Dr. Miles' Nervine.

This medicine is a scientific cure for  
nerve disorders, such as Neuralgia,  
Headache, Loss of Memory, Sleepless-  
ness, Spasms, Backache, St. Vitus'  
Dance, Epilepsy or Fits, Nervous Pro-  
stration, etc.

By toning up the nerves, Dr. Miles'  
Restorative Nervine will also cure those  
diseases of the internal organs due to  
a disordered nervous system.

Some of these are: Indigestion, Bil-  
ious Headache, Kidney Trouble, Chronic  
Constipation, Dropsy, Catarrh, Rheuma-  
tism, etc.

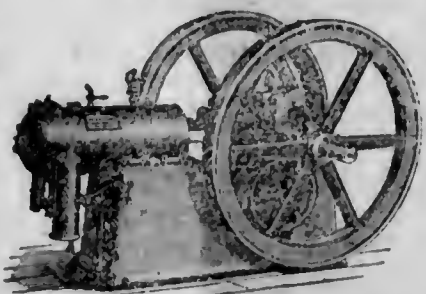

"My brother had nervous prostration,  
and was not expected to live. I pre-  
sented him to try Dr. Miles'  
Restorative Nervine, and now he has  
fully recovered. You remember I wrote  
you how it saved my life a few years  
ago, when I had nervous trouble. I  
preach its merits to everyone."—REV.

## LOCAL BREVITIES.

Merchant W. G. Patrick was over from Kimbrell Monday.

Cliff Shimfessel was one of the Winchester court visitors Monday.

Misses Vena and Gertrude Rose were visiting relatives at Stanton Tuesday.

Frank Webb, who has been on an extended trip to California, has returned home.

Get Webb to fix your clock or Watch: Satisfaction given, and work promptly executed.

See change in Mrs. Williams' ad this week and go and inspect her goods. 'Twill pay you.

Geo. M. Goosey left Monday for Mississippi where he has employment in a planing mill.

The heavy rains of the past week have kept the river on a rampage the greater part of the time.

C. C. Eaton will move to Hardwick's Creek where he is operating his saw mill located at that place.

Mr. and Mrs. A. M. Burgher were guests of Capt. and Mrs. B. J. Ewen at Jackson from Friday until Monday.

Frank Mize and little son left Monday morning for western Kansas where they go to recuperate in health. They both have failing lungs.

We have had several cool days with two or three frosts since Friday, which was a very warm day, when many gardens were partly planted.

Elders J. T. Turpin and T. P. Edwards, of Estill county, were here Saturday. Eld. Turpin went to Bowen where he preached Saturday night and Sunday.

Dr. Littlepage reports the birth of a son to Mr. and Mrs. Geo. W. Ware, of Vaughn's Mill, Monday, March 28, and to Dan Henry and wife Saturday, March 26, a boy.

Grass is growing nicely and buds are swelling fast. Peach blooms are ready to burst forth, and they are said to be plentiful. We hope to see one more good fruit crop.

Next Wednesday night is the regular meeting of the city council. We learn there will be a number of applicants for the position of principalship of the school this fall.

Jas. G. Rogers, late of Iron-ton, Ohio, has rented and moved into the Methodist parsonage vacated by Charlie Ewen. Mr. Ewen has rented a farm on Snow Creek and is moving to same.

Eld J. A. Webb exhibited at our office Monday a mammoth duck egg. It was seven and a quarter inches in circumference, and nine inches around the oval the long way, and weighed five ounces. In size it was the equal of the average goose egg. The egg was the product of an ordinary black duck.

### For Sale.

One set of good surveying instruments, cheap. Call at this office.

### Tipton Acquitted.

Weeden Tipton was tried at Stanton last week for the killing of a man named Landrum at the county seat some time last summer, and acquitted. The killing as related in the Times at the time was clearly justifiable as Landrum had repeatedly accosted Tipton and threatened his life on the day the deed was committed.

### Easter Sunday.

Sunday is Easter, the day noted in these parts for the feasting on eggs. It is quite fortunate that they have dropped down so the common people can obtain a few at least. Had the eventful day been fixed a few weeks earlier this spring, it would have worked a hardship on all to supply the annual custom, for surely eggs were never so high as they have been this winter.

### Some Big Fish.

Two extraordinary fish have been caught out of Red river at this place the past week. John P. Gaylord caught a mammoth blue cat fish above the dam weighing twenty-three pounds and Bob Russell and a fellow fisherman caught a beautiful pike Monday weighing twelve and one half pounds. Mr. Gaylord caught the cat fish with hook and line and Mr. Russell captured the pike while fishing with a trot.

### Band Progress.

Through the courtesy of the band boys we were admitted Monday night to their practice room over the light house and enjoyed their music for probably a couple of hours. Under the able instructions of Prof. Ross, the Clay City Cornet Band has certainly made rapid strides since its organization only a few months ago. They are now able to master a piece of music with little difficulty and play it very well after little practice. This speaks well for both the boys and the instructor, Prof. Ross, and gives hopes for a local band of some prominence in the near future. They should be encouraged and aided by the citizens of the town to some material extent during the coming season.

### Not Popular in Clark.

Judge Cooper spoke at Stanton the past week in the interest of his candidacy for the Democratic nomination for Congress. He made a vicious attack on Congressman Hopkins because the latter wants to build a bridge at the mouth of Two Mile in this county where the slack water has destroyed the ford and consequently the public road. The speech of Judge Cooper means that if he should succeed in going to Congress, our bridge will not be built by the government. This may be a vote getting scheme in some places for Judge Cooper, but that speech will hardly win in Clark. Mr. Hopkins has shown a desire to help Clark county and our people are not the kind to forget.—Winchester Democrat.

### It Saved His Leg.

P. A. Danforth of LaGrange Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25 cts. Sold by Swann-Day Lbr. Co. merchants.

### For Sale.

A two story business house on 7th ave. 4 lots well improved suitable for business or dwelling. For further information apply to James Bloom.

### Suit Against the Banks.

Auditor's Agent, Lucas has filed suit against a number of state banks in Kentucky for back taxes on money deposited with them, which has never heretofore been collected. The banks have organized to fight the measure, and Auditor Hager repudiates the action of his agent, but Lucas stands firm and will test the measure in the courts.

### Working Overtime.

Eight hour laws are ignored by those tireless little workers—Dr. King's New Life Pills. Millions are always at work, night and day, curing Indigestion, Biliousness, Constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure. Only 25c at Swann-Day Lbr. Co's store.

### Pistol Duel.

In a shooting affray at Burgin Monday night Policeman Daniel and J. F. Beauchamp, a freight conductor, were wounded as the result of the officer attempting to serve a warrant on the railroad man for obstructing the street.

### Tragedy Averted.

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by Swann-Day Lbr. Co. Merchants. Price 50c & \$1.00. Trial bottles free.

### Dist.

Philip Stitzel, a leading distiller and a well-known German resident, died at Louisville Sunday morning of heart trouble. He leaves a wife and seven children, among them being Mrs. F. B. Russell, of this place. Mr. and Mrs. Russell were at his bedside when the end came and they will remain in the Falls city for a couple of weeks before they return home.

### More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, satisfaction guaranteed by Swann-Day Lumber Co.

## LIVER TROUBLES

"I had Thedford's Black-Draught a good medicine for liver disease. It cured my on after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marchhead, Ill.
